

Kathryn Reyes

kathryn.reyes652@example.com | 001-859-282-8819x5219 | Software Architect (Mid-level)

SUMMARY

Results-oriented Software Architect with 6 years of experience in designing scalable microservices architectures and cloud-native solutions. Proven track record of optimizing system performance and mentoring development teams to deliver high-quality, maintainable codebases.

SKILLS

System Design & Microservices, Java/Spring Boot, Kubernetes & Docker, AWS Cloud Infrastructure, PostgreSQL & Redis, Apache Kafka, CI/CD Pipeline Architecture, API Security & OAuth2

EXPERIENCE

Software Architect - NexusFlow Systems (2021-03 - Present)

Architected a modular microservices platform serving 500k+ daily users, resulting in a 40% reduction in system latency. Spearheaded the migration of legacy monoliths to a containerized environment, improving deployment frequency by 3x.

Senior Software Engineer - Vertex Digital Solutions (2018-06 - 2021-02)

Led the backend development of a fintech core engine and implemented robust caching strategies that handled a 200% increase in transaction volume. Mentored 4 junior developers and established standardized code review practices across three squads.

EDUCATION

B.Sc. in Software Engineering - Summit Valley Institute of Technology (2018)
