

# Kyle Walker

kyle.walker237@example.org | (484)801-3078 | Cloud Engineer (Junior)

## SUMMARY

Motivated Cloud Engineer with a strong foundation in cloud infrastructure, automation, and CI/CD pipelines. Passionate about building scalable and cost-effective cloud solutions while continuously learning emerging cloud-native technologies.

## SKILLS

AWS, Terraform, Docker, Kubernetes, Python, Linux, Jenkins, SQL

## EXPERIENCE

**Junior Cloud Engineer** - Nexus Cloud Systems (2022-07 - Present)

Collaborated with the DevOps team to automate infrastructure deployment using Terraform, reducing manual provisioning time by 30%. Maintained and optimized AWS production environments, resulting in a 15% improvement in resource utilization.

**Cloud Intern** - Vertex Tech Solutions (2021-12 - 2022-06)

Assisted in the migration of legacy applications to containerized Docker environments. Implemented basic monitoring dashboards using CloudWatch, increasing system visibility by 20%.

## EDUCATION

B.Sc. in Computer Engineering - Grandview Institute of Technology (2021)
