

Kristi Munoz

kristi.munoz529@example.net | +1-903-656-8419x6942 | DevOps Engineer (Senior)

SUMMARY

Highly skilled DevOps Engineer with over 8 years of experience in architecting scalable cloud infrastructure and automating deployment pipelines. Proven expertise in optimizing CI/CD workflows and enhancing system reliability for large-scale distributed applications.

SKILLS

AWS, Kubernetes, Terraform, Docker, Jenkins, Go, Prometheus, Grafana

EXPERIENCE

Senior DevOps Engineer - NebulaStream Solutions (2020-03 - Present)

Lead the migration of legacy monoliths to microservices on AWS, reducing deployment time by 60% and improving system availability to 99.99% through advanced Kubernetes orchestration.

DevOps Engineer - VertexCloud Systems (2016-06 - 2020-02)

Implemented infrastructure-as-code using Terraform, managing over 200 cloud instances and automating security patching, which decreased manual overhead by 40%.

EDUCATION

B.Sc. in Software Engineering - Summit Valley Institute of Technology (2015)
