

Nicole Andrews MD

nicole.andrews.md487@example.net | 001-413-486-4964 | Database Administrator (Mid-level)

SUMMARY

Dedicated Database Administrator with over 5 years of experience in managing large-scale relational database systems. Proficient in database performance tuning, automated backup strategies, and ensuring high availability for mission-critical applications.

SKILLS

PostgreSQL, MySQL, Oracle PL/SQL, SQL Server, AWS RDS, Python, Shell Scripting, Query Optimization

EXPERIENCE

Database Administrator - Nexus Stream Solutions (2021-03 - Present)

Managing a fleet of 50+ database instances, achieving 99.99% uptime and reducing query latency by 30% through advanced indexing and refactoring.

Junior Database Developer - Apex Data Systems (2018-06 - 2021-02)

Assisted in the migration of on-premise databases to AWS cloud environments and automated daily backup workflows, resulting in a 40% reduction in manual administrative tasks.

EDUCATION

B.Sc. in Database Management - Summit Valley Institute of Technology (2018)
