

Holly Oconnell

holly.oconnell389@example.net | 001-895-976-4239x2537 | System Administrator (Senior)

SUMMARY

Dedicated Senior System Administrator with over 8 years of experience in managing complex IT infrastructures and cloud environments. Proven track record in optimizing server performance, enhancing network security protocols, and leading successful cloud migration projects for enterprise-level organizations.

SKILLS

Linux/Unix Administration, Windows Server 2019/2022, AWS/Azure Cloud Infrastructure, PowerShell & Bash Scripting, VMware vSphere, Docker & Kubernetes, Network Security (Firewalls/VPN), Ansible Configuration Management

EXPERIENCE

Senior System Administrator - Nebula Core Systems (2019-03 - Present)

Lead the management of 200+ virtualized servers, achieving 99.99% uptime. Successfully migrated on-premises legacy systems to AWS, resulting in a 25% reduction in monthly infrastructure costs.

System Administrator - Vertex Digital Solutions (2015-06 - 2019-02)

Maintained internal network security and performed routine backups for over 500 workstations. Automated deployment tasks using Ansible, decreasing provisioning time by 40%.

EDUCATION

B.Sc. in Information Technology - Apex Institute of Technology (2015)
