

Stefanie Jones

stefanie.jones534@example.org | 001-268-931-3429 | System Administrator (Fresher)

SUMMARY

Highly motivated IT graduate with a strong foundation in server management, network administration, and cloud infrastructure. Eager to leverage hands-on experience from internship projects to ensure system reliability and security as a System Administrator.

SKILLS

Linux Administration (Ubuntu/CentOS), Windows Server 2022, Bash Scripting, Docker, AWS (EC2, S3), Network Troubleshooting (TCP/IP, DNS, DHCP), VMware vSphere

EXPERIENCE

IT Intern - NexusFlow IT Solutions (2023-06 - 2023-12)

Assisted in the maintenance of 20+ virtualized servers and automated daily backup routines using Bash scripts, reducing manual recovery time by 15%.

EDUCATION

B.Sc. in Information Technology - Summit Valley Institute of Technology (2024)
