

Madison James

madison.james914@example.com | 001-252-841-7601x63048 | Machine Learning Engineer (Senior)

SUMMARY

Senior Machine Learning Engineer with over 7 years of experience in designing, deploying, and scaling production-grade AI models. Proven track record of optimizing model inference latency and improving recommendation accuracy by leveraging deep learning frameworks and MLOps best practices.

SKILLS

Python, PyTorch, TensorFlow, Kubernetes, Apache Spark, AWS SageMaker, MLflow, SQL

EXPERIENCE

Senior Machine Learning Engineer - NexusAI Solutions (2020-03 - Present)

Lead the development of a real-time recommendation engine that increased user engagement by 22%. Implemented automated CI/CD pipelines for ML models, reducing deployment time from weeks to hours.

Machine Learning Engineer - Vertex Data Systems (2017-06 - 2020-02)

Architected distributed training pipelines on cloud infrastructure, processing over 5TB of data daily. Improved model prediction accuracy by 15% through advanced feature engineering and hyperparameter optimization.

EDUCATION

M.Sc. in Artificial Intelligence - Summit Institute of Technology (2017)

B.Sc. in Computer Science - Beacon Valley University (2015)
