

Tiffany Bailey

tiffany.bailey307@example.net | 625-804-4390x4650 | Full-stack Developer (Junior)

SUMMARY

Highly motivated Junior Full-stack Developer with 1.5 years of experience in building responsive web applications. Proven ability to translate business requirements into efficient code using React and Node.js while maintaining high standards for performance and scalability.

SKILLS

JavaScript (ES6+), React.js, Node.js, TypeScript, PostgreSQL, RESTful APIs, Git, Docker

EXPERIENCE

Junior Full-stack Developer - NexusFlow Solutions (2022-09 - Present)

Collaborate in an Agile team to develop front-end interfaces using React, resulting in a 20% improvement in page load speed. Implemented 5+ RESTful API endpoints using Node.js and integrated them with PostgreSQL to streamline data processing for internal tools.

Web Development Intern - Vertex Digital Agency (2022-03 - 2022-08)

Assisted in the maintenance of client websites and performed unit testing that reduced production bugs by 15%. Worked closely with senior developers to refactor legacy codebases using modern TypeScript practices.

EDUCATION

B.Sc. in Computer Science - Summit Valley Institute of Technology (2022)
