

Richard Lawrence

richard.lawrence604@example.net | 001-335-667-6552x3150 | Data Scientist (Junior)

SUMMARY

Aspiring Data Scientist with a strong foundation in statistical modeling and machine learning algorithms. Passionate about transforming raw data into actionable business insights through rigorous analysis and clear visualization.

SKILLS

Python, SQL, Pandas, Scikit-learn, Tableau, TensorFlow, Git, Statistics

EXPERIENCE

Junior Data Analyst - Nexus Analytics Solutions (2022-06 - Present)

Developed predictive models for customer churn that improved retention rates by 12%. Automated weekly data reporting pipelines using Python, reducing manual processing time by 15 hours per week.

Data Science Intern - Vertex Tech Labs (2021-09 - 2022-05)

Cleaned and preprocessed large-scale datasets, improving model training accuracy by 8%. Collaborated with senior engineers to visualize key performance indicators using Tableau dashboards.

EDUCATION

B.Sc. in Data Science and Analytics - Summit Institute of Technology (2021)
