

Casey Thompson

casey.thompson32@example.com | 001-534-642-2609 | System Administrator (Mid-level)

SUMMARY

Detail-oriented System Administrator with over 5 years of experience in managing complex IT infrastructure and cloud environments. Proven track record in optimizing server performance, automating deployment processes, and ensuring 99.9% system uptime for enterprise-level operations.

SKILLS

Linux Administration (RHEL/Ubuntu), Windows Server 2019/2022, AWS (EC2, S3, VPC), Ansible, Bash/Python Scripting, VMware vSphere, Zabbix Monitoring, Docker

EXPERIENCE

System Administrator - NexusFlow Tech Solutions (2021-03 - Present)

Lead the management of 50+ virtualized servers and implemented an automated backup solution that reduced data recovery time by 40%. Orchestrated cloud migration for internal services, resulting in a 25% decrease in operational costs.

Junior System Administrator - BlueRidge Systems (2018-06 - 2021-02)

Provided daily technical support for 200+ employees and streamlined patch management processes using Ansible, reducing manual maintenance hours by 15 hours per week.

EDUCATION

B.Sc. in Network Engineering - Summit Valley Institute of Technology (2018)
