

Christie Walker

christie.walker876@example.com | 468-780-2603x197 | Business Analyst (IT) (Senior)

SUMMARY

Results-driven Senior IT Business Analyst with over 8 years of experience bridging the gap between business requirements and technical execution. Expert in agile methodologies, requirements engineering, and stakeholder management, with a proven track record of delivering scalable software solutions that improve operational efficiency by up to 30%.

SKILLS

Requirement Elicitation & Documentation, SQL & Data Visualization (Tableau/Power BI), Agile/Scrum Framework, UML & BPMN Modeling, Jira & Confluence, API Specification Analysis, SDLC Management, User Acceptance Testing (UAT)

EXPERIENCE

Senior IT Business Analyst - NexusStream Solutions (2020-03 - Present)

Leading requirements gathering for a enterprise ERP transformation project, resulting in a 25% increase in cross-departmental productivity. Manage a backlog of 50+ user stories and coordinate between stakeholders and a 15-member development team.

Business Analyst - Vertex Digital Systems (2016-06 - 2020-02)

Collaborated with product owners to define scope for a high-traffic e-commerce platform, reducing system latency by 15% through optimized workflow documentation. Conducted gap analysis and successfully executed data migration strategies for legacy system integration.

EDUCATION

B.Sc. in Information Systems - Summit Valley Institute of Technology (2015)
