

Kenneth Matthews

kenneth.matthews970@example.org | 251-720-8434x40823 | Cybersecurity Analyst (Junior)

SUMMARY

Detail-oriented Cybersecurity Analyst with a strong foundation in network security and threat detection. Passionate about identifying vulnerabilities and implementing robust defense strategies to protect organizational assets in fast-paced IT environments.

SKILLS

Network Security, SIEM Tools (Splunk), Vulnerability Assessment, Python for Security, Wireshark, Linux Administration, Incident Response, Firewall Management

EXPERIENCE

Junior Cybersecurity Analyst - Nexus Shield Solutions (2022-06 - Present)

Monitor security dashboards to detect and mitigate potential threats, reducing incident response time by 15%. Conduct weekly vulnerability scans on internal infrastructure to ensure 99.9% compliance with security protocols.

Cybersecurity Intern - Vertex Digital Tech (2021-06 - 2022-05)

Assisted in the implementation of identity access management policies and supported the security team in documenting over 50+ incident reports and resolution steps.

EDUCATION

B.Sc. in Cybersecurity and Information Assurance - Summit Valley Institute of Technology (2021)
