

Kristen Conner

kristen.conner201@example.net | 001-205-465-3345x6353 | System Administrator (Mid-level)

SUMMARY

Detail-oriented System Administrator with over 5 years of experience in managing enterprise IT infrastructure and cloud environments. Proven track record in optimizing server performance, automating deployment processes, and ensuring 99.9% system availability through proactive monitoring.

SKILLS

Linux System Administration, Windows Server 2019/2022, AWS (EC2, S3, VPC), Docker & Kubernetes, Ansible, Bash/Python Scripting, VMware vSphere, Nagios/Zabbix

EXPERIENCE

System Administrator - NexusFlow Technologies (2020-03 - Present)

Managing a hybrid infrastructure of 200+ servers; reduced manual server provisioning time by 40% through the implementation of Ansible playbooks.

Junior System Administrator - Vertex Digital Solutions (2018-06 - 2020-02)

Provided Tier 2 technical support and maintained VMware virtual machine clusters, successfully achieving a 15% improvement in system response times.

EDUCATION

B.Sc. in Information Technology - Summit Valley Institute of Technology (2018)
