

Sheila Lee

sheila.lee105@example.net | (393)692-1749 | Business Analyst (IT) (Senior)

SUMMARY

Results-driven Senior IT Business Analyst with over 8 years of experience bridging the gap between complex business requirements and technical solutions. Proven track record in optimizing enterprise workflows, leading cross-functional teams, and delivering large-scale digital transformation projects with high ROI.

SKILLS

Requirements Engineering, SQL & Data Visualization, Agile/Scrum Methodology, Jira & Confluence, Process Mapping (BPMN), API Documentation, User Acceptance Testing (UAT), System Integration Analysis

EXPERIENCE

Senior IT Business Analyst - NexusFlow Systems (2020-03 - Present)

Led requirements gathering for a multi-tenant cloud migration, resulting in a 25% reduction in operational latency. Mentored a team of 4 junior BAs and streamlined the sprint planning process, increasing team velocity by 15%.

Business Analyst - Vortex Digital Solutions (2016-06 - 2020-02)

Spearheaded the integration of a new CRM platform for a retail client, driving a 30% improvement in customer data accuracy. Facilitated stakeholder workshops to define functional specifications for complex enterprise software modules.

EDUCATION

B.Sc. in Information Systems - Grand Meridian Institute of Technology (2015)
