

Kiara Wilson

kiara.wilson513@example.com | 001-923-818-6708 | Database Administrator (Mid-level)

SUMMARY

Detail-oriented Database Administrator with 5 years of experience in managing large-scale SQL and NoSQL environments. Proven track record in optimizing database performance, implementing robust backup strategies, and ensuring 99.9% system availability for mission-critical applications.

SKILLS

PostgreSQL, Oracle Database, MongoDB, SQL Server, AWS RDS, Python scripting, Bash/Shell, Query Optimization

EXPERIENCE

Database Administrator - Nexus Stream Solutions (2021-03 - Present)

Lead the management of 20+ production databases, successfully reducing query latency by 40% through index optimization and schema refactoring. Automate daily backup and recovery procedures using Python, reducing manual intervention by 15 hours per month.

Junior Database Engineer - Vertex Core Systems (2019-06 - 2021-02)

Supported high-availability database clusters and assisted in the migration of on-premises legacy data to cloud-based AWS RDS instances. Monitored database health metrics and resolved performance bottlenecks for internal ERP applications.

EDUCATION

B.Sc. in Computer Science - Summit Valley Institute of Technology (2019)
